Publisher

University of Lagos Press and Bookshop Ltd

Abstract

The book is a compendium on the impact of the COVID-19 pandemic on the livelihoods, social behavior and social interactions of Nigerians. It examines the impact of the pandemic on finance and food security and its effects on the lived realities of vulnerable groups including youths, women and older persons as well as their coping strategies. It also addresses the people's awareness of and response to measures to curtail the spread of the pandemic.
