A WORD OF WELCOME FROM THE CHANCELLOR

It is with great delight that I welcome you to the auspicious occasion of the 12th Convocation Ceremony of Covenant University where we release the 2017 set of Eagles to make their marks on the world. It is also a time of reflection as we reflect on the faithfulness of the Originator of the University, our Lord Jesus Christ, for staying true to His promise to make Covenant University a beacon that shines out of the supposed 'Dark Continent' to lighten the world. To Him alone be all the glory.

The nearly fifteen years of existence of Covenant University have been marked by trail blazing and groundbreaking achievements that have been humbling. The Covenant University brand has come to be associated with excellence and leadership in teaching and research in Nigeria, Africa and the world at large. The University has emerged a reference point for higher education and a testimonial of the reward that is inherent in daring to be different.

In 2012, Covenant University was handed a divine mandate to become one of the top ten universities in the world by the

year 2022, christened Vision 10:2022, 1-of-10-in-10. At the time, this compelling vision was considered unrealistic by skeptics. Today, however, God

has proved His word to be true by undeniable proofs that validate the prophetic declaration.

Indeed, Covenant University does not have to wait till 2022 to become one of the top universities in the world as this has become a reality already in some research fields. According to the Distinctive Competency Data Analytics of

research publications by Elsevier's SciVal, Covenant University is world's number one in the fields of Wind Power, Wind Turbine, Corrosion, Corrosion Inhibitors, and Carbon Steel. The result also reveals that the University is the second most competent institution in the world in the fields of Trade, Remittance, Effect and Housing; Residential

Satisfaction. This report is significant because it recognises Covenant University's distinctive competencies among all the

BOARD OF REGENTS

universities of the world. Certainly, Vision 10:2022 is already being fulfilled right before our eyes.

Covenant University's leadership in research continues to be acclaimed as its Energy Retention Bag for Vaccine Transportation won the Agricultural and Veterinary Medicine Award at the Biennial Higher

Education Award Series (BHEADS) organised by the AVCNU/CVC under the Individual Winners category, despite the fact that Agriculture and Veterinary Medicine are not offered in the University. The Vice-Chancellor, Professor AAA. Atayero was recently awarded the Fellowship of the Science Association of Nigeria, in recognition of his contributions to Science and Development in Nigeria.

In our drive for excellence, Covenant University has continued to prove her relevance even in the professional community. For instance, on Thursday July 20, 2017 (yesterday), the Engineering students of the University were inducted as graduate members of the Nigerian Society of Engineers. Also, 17 graduates of the 2016 class of Industrial Relations and Human Resources Management of the University were inducted and awarded the Human Resources Practitioners License as Associates of the Chartered Institute of Personnel Management of Nigeria (CIPMN). These show that our students are not only academically sound but are also

professionally set to take their place in the world of work.

To further validate the quality of the Eagles released from this Royal Academy, the 2016 edition of "The Nigerian Graduate Report" ranked Covenant University as the Most Employable Graduates among all Nigerian Universities, public and private. The report revealed that the employability rate of Covenant University graduates is 90%. For this, we return the glory to God and deeply appreciate the faculty and staff of the University for their unparalleled commitment and investments in our students.

For the fifth year running, **Covenant University has been ranked number one in the Web of Repositories in Nigeria (2013-2017)**. Also, the University won the Education Leadership Award at the 6th Africa Education Leadership Awards organised by World CSR Day in partnership with CMO Asia and Stars of Industry Group. The award was given in appreciation of the University's exceptional contribution to the educational landscape in

Africa.

Covenant University's daring goal to become one of the top ten universities in the world by the year 2022 has not gone unnoticed by the international community. Hence, the Vice-Chancellor was appointed in November 2016 to serve as a member of the Informal Advisory Group on the potential future development of a Bespoke Times Higher Education African University Ranking. Without any doubt, God is committed to His promise to make Covenant University a leading citadel of learning in the world. We return all the glory to God.

It is on this note that I welcome you to this 12th Convocation Ceremony of Covenant University - the Release of Eagles 2017. May you enjoy the richness of God's blessings in Jesus name.

Thankyou.

THE VICE-CHANCELLOR'S WELCOME ADDRESS

PROFESSOR AAA. ATAYERO
VICE-CHANCELLOR
COVENANT UNIVERSITY

It is my great pleasure to welcome you to the 12th Convocation Ceremony of Covenant University. In a global season that is marked with uncertainties and instabilities, we are in a good place at Covenant. Here we are graduating another set of expert thinkers and world changers rightly referred to as Eagles. Characteristically, the Eagle is known not only for its ability to thrive in adversity, but also the ability to convert the disruptive energy of a storm into fuel for its flight. The soon-to-be-released Eagles before you today have been equipped with the capacity to face the storms of life - same storms that wreck other destinies - and soar on them to

prominence by grace through faith.

Covenant University is the foremost private institution of higher learning in Nigeria that is setting the pace for other institutions, public and private alike. In the words of Steve Jobs, "Innovation is what distinguishes between the leader and the follower," Covenant has continued to be at the cutting edge of innovation, hence our undisputed leadership. At the beginning of the 2016/2017 academic session, we adopted the *ReCITE* agenda to further drive our quest to become one of the top ten universities in the world by year 2022, which we refer to as Vision 10:2022. *ReCITE* stands for Research, Citation, Innovation, Income, and Teaching, from which we coined the saying, "*Research is our responsibility, Citation and Innovation leading to Income is our reward, and Teaching is our goal*".

By making research our priority at Covenant, we have committed ourselves to a continuous increase in the quality of our profile in the global community and the quality of teaching that our

students enjoy from the faculty, since knowledge acquired is the knowledge shared. This strategic positioning of the University has begun to pay off as the Distinctive Competency Data Analytics of research publications by Elsevier SciVal revealed Covenant University as **the world's number one in the research fields of Wind Power, Wind Turbine, Corrosion, Corrosion inhibitors, carbon steel**; and the world's number two in Trade, Remittance, and Housing: Residential satisfaction. These indicate that Covenant University is not only one of ten, but the number one globally in some research fields. Indeed, it is not difficult for God to fulfil Vision 10:2022 in 2017!

Also, Covenant University was ranked the Best Private University in Nigeria in the January 2017 Webometric ranking, and number one in Nigeria in the Web Repository ranking, a position the University has held since 2013.

Furthermore, Covenant University's innovativeness was rewarded at the Technology and Innovation Expo' 2017, organised by the Federal Ministry of Science and Technology, where the

University emerged 3rd in the Tertiary Institution Category out of the 64 institutions that participated. Covenant University's mini bus won the 3rd place out of the 640 products that were exhibited. Also, at the Biennial Higher Education Award Series (BHEADS) organised by the AVCNU/CVC, Covenant University's Energy Retention Bag for Vaccine Transportation won the Agriculture and Veterinary Medicine Award. The University also won the Best Use of Technology Award among private universities in Nigeria at the 2nd Nigerian Technology Awards on November 26, 2016. Awards and laurels are not limited to the faculty of the University as the students also bear this remarkable streak of the Covenant Identity. Three Hult Teams that represented Covenant University at the 8th Annual Hult Prize qualified for the Regional Finals in 2017. A 300 Level student of Information and Communication Engineering and the President of the Covenant University Literary and Debating Society (CULDS) was selected for

the prestigious 2017 Study of United States Institute (SUSI) Fellowship for Student Leaders. Members of the Covenant University Enactus team, an international nonprofit organization dedicated to inspiring students to improve the world through entrepreneurship, having successfully won third place in last year's competition, emerged second place winners in this year's competition to the Glory of God. Later this month, July 2017, Covenant University will receive the Global Award for Perfection, Quality and Ideal Performance by Otherways Management & Consulting at an International Convention in Italy, Rome. These and many other awards have proved the hand of God on the University. At Covenant University, we can unequivocally say that all our achievements from inception and particularly in this academic session have been by the hand of God. In the words of our dear Chancellor, Dr. David Oyedepo,

"It is foolishness to be shameful of what is gainful". Therefore, we unashamedly return all the glory to God for His unparalleled deeds in Covenant University.

At this point, I congratulate the 2017 graduating students. As you begin your flight, may you always rise above all the storms of life to achieve success in all your ways in Jesus name. I also congratulate the parents and guardians here present. May your joy on these ones be ever increasing in Jesus name. To friends and well-wishers, thank you for being a part of the joy of today. And to the Covenant University community, thank you for partnering with God to birth this new generation of world changers. You are welcome again to the Release of Eagles 2017.

Thank you and God bless you.

Vice-Chancellor,

OPENING HYMN

- 1 “Great is Thy faithfulness,” O God my Father,
There is no shadow of turning with Thee;
Thou changest not, Thy compassions, they fail not
As Thou hast been Thou forever wilt be.

Refrain:

*“Great is Thy faithfulness!” “Great is Thy faithfulness!”
Morning by morning new mercies I see;
All I have needed Thy hand hath provided—
“Great is Thy faithfulness,” Lord, unto me!*

- 2 Summer and winter, and springtime and harvest,
Sun, moon and stars in their courses above,
Join with all nature in manifold witness
To Thy great faithfulness, mercy and love.

Refrain:

- 3 Pardon for sin and a peace that endureth,
Thine own dear presence to cheer and to guide;
Strength for today and bright hope for tomorrow,
Blessings all mine, with ten thousand beside!

Refrain:
